Hail Hammer and Wendy!

I just wanted to see how
you were both doing. I
visited your Pub today
and saw you had a mail
box. So, I'm dropping you
a short note.
I hope your marriage is
going well and your
honeymoon was delightful.

I still remember your
wedding on the 8th of
May in Wintersoul. I
was so happy to help you
two become wedlocked and
bound to one another.

I look forward to seeing
you again for a cold ale
or just to see how you
two are doing. I'll visit
your Pub as I can.
You're always welcome to
drop by my office in
Tokuno too. It's at the
NE end of the
Homare-jima road on the
east side.

Dragonspeed to you both
and long live your
happiness!

Your Friend,
Winfield
